CAPABILITIES

A single source for all types of flexible packaging, Omega Plastics Corp. stands second to none. Utilizing state-of-the-art equipment and the most advanced resin technology, offering both Linear Low and HMW High Density products.

PRODUCTS

Omega Plastics provides products to a wide range of industries and retail packaging facilities:

- Advanced, retail packaging equipment produces an impressive range of products, including merchandise, t-shirt, and header, retail style bags.
- A complete line of printed and unprinted packaging products for the laundry and dry cleaning industries.
- Production of virtually every type of supermarket and food service packaging including roll produce bags, t-shirt style bags and all type of food grade bags.
- An extensive line of institutional bags for the janitorial and healthcare industries including Star Seal can liners, box and bin liners.

QUALITY

Our commitment to quality is second to none in the industry. Strong quality control procedures are in place to ensure the product is being manufactured correctly and meets customer's specification.

SERVICE

Omega's commitment to expansion and internal growth ensures our continued ability to meet the ever-growing flexible packaging needs. Omega is a long-term corporation dedicated to providing knowledgeable professionals and reliable, consistent quality and on-time delivery. Omega's plants are strategically located to insure service to all areas of the country in a timely manner. Offering a customer service staff at each location to insure the customer needs are met.

A PARTIAL LISTING OF OMEGA'S PRODUCTS

MERCHANDISE BAGS

Offering quality and economy, these bags are available in Omega's specially blended Film, Linear Low or High Molecular Weight High Density Film, both with or without die-cut handles, and up to 4-color printing.

STAR SEAL CAN LINERS

Core, coreless, or individually folded – LLDPE and HMW high density. Printed or unprinted.

Custom colors available. All sizes.

HOSPITAL LINERS

Printed infectious waste – soiled linen, etc. both in LLDPE and HMWHDPE.

U-BAG-M™

Produce bags on a roll. All sizes available. Stock and custom print, one to four colors.

FOOD BAGS

All sizes available.

INDUSTRIAL BAGS

Pallet covers, box liners, drum liners; printed and unprinted. HMW and LLDPE

RETAIL T-SHIRT BAGS

T-Shirt Bag – designed for full load checkout counter orders. Stock and custom print available.

One to four colors, two side printing.

THICK-THIN BAGS

Linear Low Density handle bags manufactured with variable film gauge process that allows the film at the top third of the bag to be twice as thick as that at the bottom. This process provides superior handle strength while allowing significant raw materials savings. Choose from many sizes and film colors.

GARMENT BAGS

All gauges, low density bags on a roll. Available all sizes, unprinted or printed on one side and two sides, with spot or repeat designs.

IN STOCK BAGS

Available in a wide assortment of sizes and colors in blended Flush-Cut Merchandise, Thick-Thin and Garment bag
